Welcome to

CAROBVIOUS

Summary

CarObvious is a first of it’s kind platform that is built EXCLUSIVELY for franchise dealerships. Our platform is built to eliminate transaction fees, entirely. We give YOU the power to place and receive bids on inventory.

Platform Insights

Exclusively For Franchise Dealerships

3,900+ Used frontline-ready vehicles

$0 In fees paid on transactions

★★★★★

“CarObvious is a no-brainer for our dealership. Once we heard we paid NOTHING on transaction fees, I knew it was a perfect fit.”

–Plano, TX Dealership

The First & Only Platform of it's Kind

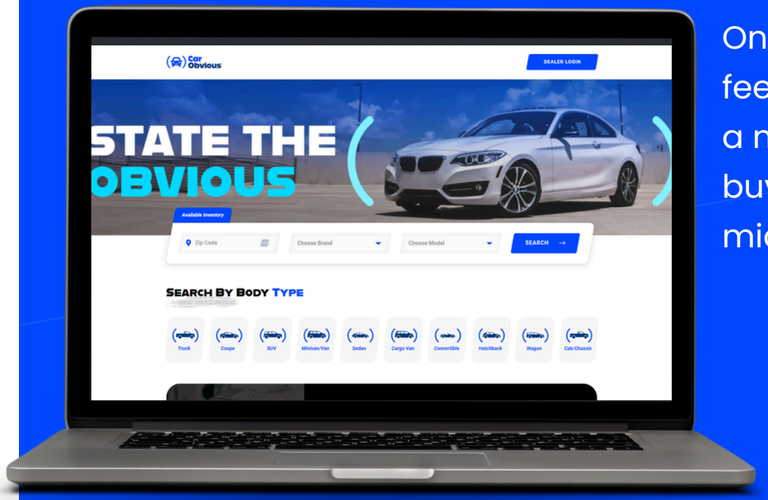

At CarObvious, we believe technology should enhance your existing processes while boosting your visibility and profitability.

Our core network consists of like-minded franchise dealers seeking an alternative that gives them greater control over the acquisition and liquidation of their inventories, all without incurring rising fees.

*We save dealers an average of $5.5k a month

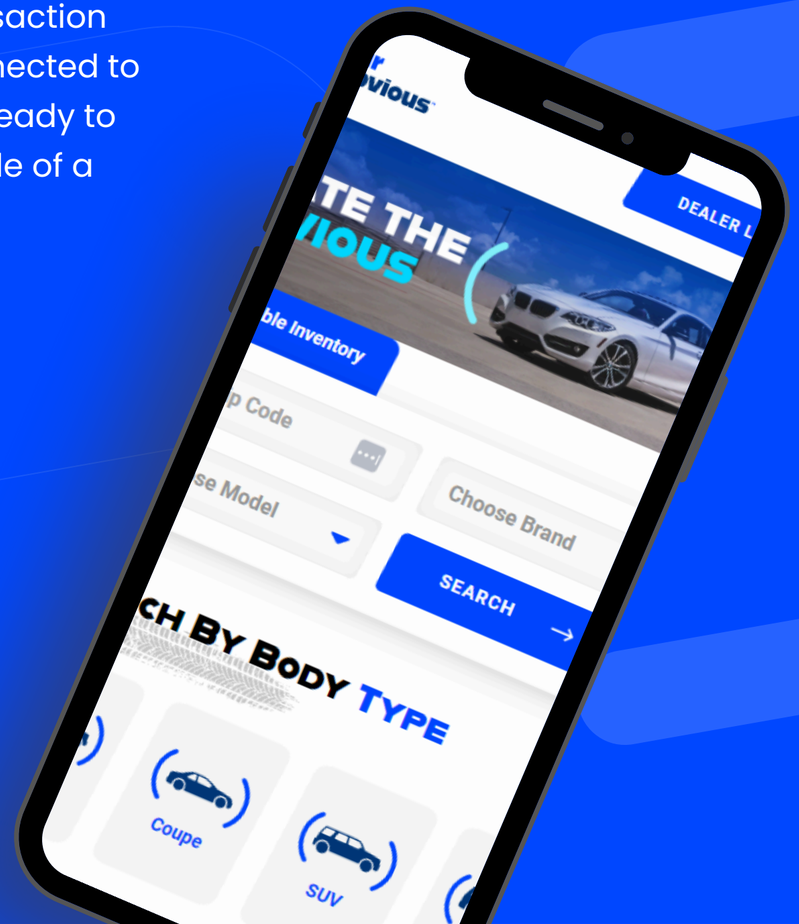

Eliminating Transaction Fees

One of our core missions is to eliminate transaction fees, entirely. With our platform, you are connected to a network of franchise dealerships who are ready to buy and sell their inventory, without the hassle of a middle-man OR transaction fees.

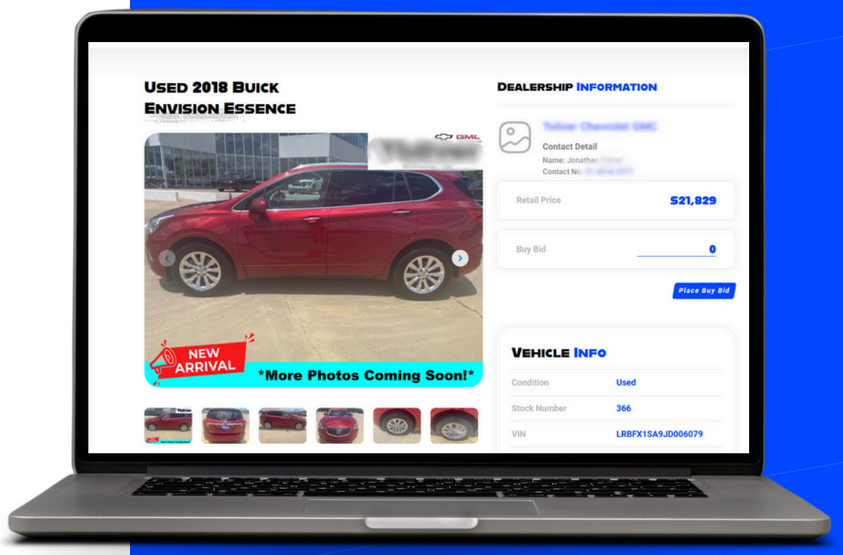

Desktop Functionality

Mobile Functionality

BUY-BID FEATURE

Our latest feature, the buy bid, allows you to PLACE and RECIEVE bids on inventory throughout the site! Here, you have the ability to make offers on other franchise dealers pre-owned inventory while also receiving bids on your own. The best part? You pay $0 in transaction fees!
